What I feel

> <p><p>

> **What I feel...*****

> I have this feeling about you
 I keep asking myself if it's real.

> Or just a puppy love thing for you.**

****Hermione stared at her best friend, Harry Potter. Lavender said that every witch in her right mind would have a crush on. I don't know what to say. He's my best friend. I want his friendship. But it's this really what I want? His friendship? Of course, Hermione you dork! Your friendship is real. This is just... well not real.

> ** I can't tell you I care,

> I can't tell you my feelings,
 I can't say I love you because you might go away.**

>

Harry notice that Hermione is staring at him with her cinnamon eyes. "No not staring, just looking" Harry commanded his thoughts. Hermione had been there for him for 5 years since he met her. " Come on Harry! Don't ruin your friendship with her! Don't risk something real for something...well not real. This is probably some weird crush that last for 2 years or more... Don't be selfish.

>

**I'll always be yours
> But why can't you be mine?
 Are you my soulmate?
> Are we destined?
 Can we be together forever?
> Can we be more than best friend?
 *****"Hermione!"
> "Harry?"
 " Look Hermione, I can't be friends with you..."
> "Why not?!"
 "How can we be friends?"
> " When everytime I look at you, all I can think of is being more
than friends to you"
 "You don't mean..."
> "Yes I do, Hermione Granger I've been in love with you since God
knows when..."
 "I love you too Harry Potter."
